

# **SWANK**

**MOTION PICTURES, INC.**

**Please use this guide for packing and returning your Swank Digital Media Player or Streaming Server.**

- 1) Use the enclosed foam packaging and place these over both ends of the server

- 2) Slide the foam and server into the box as shown

- 3) Tape the box closed and adhere the included UPS return label to the outside of the box

- 4) Please cover or mark out all original shipping labels on the box

***\*\*If you do not have a shipping label,  
please contact your Account Representative to provide you with a label***
